

WOMEN'S COLLEGE, AGARTALA, TRIPURA

Department of Higher Education, Government of Tripura

Sustainable Campus Plan - 2021-22

College Success Story

1. Name and Introduction of the Institution:

Women's College, Agartala, West Tripura.

The Women's College is a multi-faculty college established in 1965, by the Government of Tripura in the heart of the capital city Agartala with the affiliation to Tripura University. It is a pioneer and landmark institute for education of girls. It is the first and only college in the state for Women's. The College has been established with a vision to develop each student and focuses on a comprehensive and balanced education. The College strives to inculcate ethical and moral values in the students and encourages them to become integrated, honest and responsible citizens.

2. Strength of the Institution (Full-time)

Student Strength	3505 (2021-22)
Number of Teaching Staff	53
Guest Faculty	23
Number of Non-Teaching Strength	37

3. Residential Facilities

The college have a hostel with occupancy of 100 students. It provides all amenities like round-the-clock supply of safe drinking water, uninterrupted gas for cooking. It has a dedicated management team to maintain the hostel premise. There are adequate numbers of toilets. Sanitation and hygiene is ensured by proper maintenance and cleanliness of toilets.

4. Solid and Liquid Waste Management in Campus

The solid waste generated is mostly papers, packaging materials (like carton, food wrapper), answer sheets, waste from kitchen and litter from garden. Dry and wet waste is segregated in separate bins and the garbage is cleared weekly by Agartala Municipal Council. Very recently College started Vermicomposting of garden weeds, leaves and other garden waste. Installation of Rain water harvesting pit is in pipeline.

5. Hostel Kitchen Facilities

Hostel kitchen is equipped with all the necessary items required for cooking. 24x7 gas and water supply in the kitchen. Dining space is available with the kitchen. Students are allowed to cook their own favourite dish if they want.

6. Campus Greenery

The College has an outsourced gardener that maintains 40% greenery and landscape of the campus. The campus is encircled with different types of trees like, bottle brush, alstonia, Champa, Arjuna, Amla, Mango, Casia, Gol mohor, banyan, different types of minor fruits, Mehagoni, Debdaru, Dillenia etc. College has a playground of almost 1 acre with green grass cover.

7. Land Use Management

- The college identified areas for kitchen garden and horticultural crops like coconut, areca nut etc. so that a revolving fund can be generated for long term growth.
- The college has identified area to develop a biofloc fish culture unit so that skill can be developed among the students towards entrepreneurship development.

8. Solar Energy Conservation

Limited numbers of standalone solar photovoltaic street lights are installed across the campus. Awareness programme has been conducted on various occasions like National energy conservation day, Earth day. College have a big rooftop where solar panel can be installed if grant received from external agencies.

9. Water Management

- The institution has conducted various awareness programmes and competitions on water conservation and its management involving students of the college and also conducted programmes in adopted villages.
- Water leakage has been fixed immediately after reporting.
- College has well functional drainage system.

10. COVID 19 Interventions

- The College has fixed touchless sanitizer dispenser in the premises of different buildings. Banner has been displayed in different places mentioning COVID SOP.
- The college has undertaken COVID counselling sessions for the students as well as residents of adopted village.
- Cloth mask has stitched and distributed by NSS volunteer of this college in the adopted village.
- Students particularly NSS and NCC volunteers ensure that social distancing is followed at vegetable market where crowds gather and also volunteer to help police and sanitary workers in their work.
- Contribution of Women's College during COVID 19 pandemic has been recognised by MGNCRE and awarded the college with a certificate.

11. Adopted Villages

College has adopted one village name Indira Colony which is about 4 Km from College. It is in the periphery of Agartala Municipal Corporation. So it is more of semi urban area instead of typical village.

Adoption of five more villages under Unnat Bharat Abhiyan has been initiated and waiting for the permission of District Magistrate.

12. Key Interventions/ Achievements in Adopted Villages

The following activities were undertaken in the adopted villages where the primary focus was on cleanliness, hygiene and development of the villagers.

- Cloth mask has stitched and distributed by NSS volunteer of this college on 23rd May, 2021 in the adopted village.
- Mega plantation programme has been carried out in the adopted village on 4th July, 2021.
- Celebrated Azadi Ka Amrit Mohotsav through cleaning of adopted village on 13th August, 2021.

- Conducted Health Awareness cum Health check up Camp in the adopted village on 11th September, 2021.
- Distribution of food among the poor in the adopted village on 2nd October, 2021.
- Conducted health awareness programme on HIV/AIDS and Drug at adopted village on 19th December, 2021.
- Survey conducted by students at adopted village to know the status of COVID vaccination. They have also distributed leaflet on HIV/AIDS and blood donation to create awareness.

13. Key Institutional Achievements/Outcomes

The year 2021-22 was quite eventful for Women's College, Agartala specially for NSS & NCC volunteers. The NCC cadets not only participated in their training activities but also showed keen interest in other social activities like awareness programmes, cleanliness campaigns, tree plantation etc. Few are mentioned here.
