

OBSERVATION OF world water da

22nd March, 2022

Theme: "Ground water: Making the Invisible Visible"

World water Day is observed on 22nd of March since the year 1993 to highlights the importance of freshwater and raise awareness of the 2 billion people currently living without access to safe water. A core focus of world water Day is to inspire action towards Sustainable Development Goal no. 6.

In this regard, the Science Forum and Department of Geography of this college jointly observed World water Day by organizing poster campaign on 22nd of March, 2022 at 1:30 PM in front of College gate. The poster campaign was inaugurated by Smt. Manidipa Debbarma, Principal, Women's College, in the presence of Smt. Sarbari Nath, Secretary, Teacher's Councils of the college, Dr. Hiraxmi Debbarma, HOD, Department of Geography, Mr. Biplab Majumdar, HOD, Dept. of Environmental Science and Convener of Science Forum, Dr. Supantha Paul, Invited guest and Assistant Professor, Dept. of civil engineering, TIT Narsingarh, Agartala, and the faculty members and students of college

After end of poster campaign, Dr. Supantha Paul delivered a presentation on the importance of water particularly on ground water with a case study of Tripura and emphasis was also given on water conservation and access to clean and safe drinking water.

The programme was sponsored by Tripura Climate change cell, Department of Science, Technology and environment, Government of Tripura.
